

**Instructions:** Print out a bunch of these and walk up and down your local neighborhood the day before you actually plan to do your food drive walk. If neighborhood is like ours, you will find that people will leave donations out front and you will not have to knock on any doors.

If you knock on doors Cub Scouts should say something like this:

“Hi, we’re from the Santa Cruz Cub Scouts. Today we’re asking for a small food donation for the Annual 2nd Harvest Food Drive.”

If the person says no, just say thank you and move on. If the person asks what kind of food... just say any cans or boxes.

Always say thank you whether they give a donation or not :)

## ***Santa Cruz Cub Scout PACK 618*** ***2nd Harvest Food Donation Drive***

Hi, my name is \_\_\_\_\_ and I’m a Cub Scout. The Cub Scouts are having their Annual 2nd Harvest Food Bank Donation Drive this month and was hoping that you could make a small donation of canned or boxed food. I will be coming by tomorrow and if you can spare a donation. You can even leave it on your porch or on the sidewalk. I will be sure to deliver it to the 2nd Harvest Food Bank.

Thanks for your generosity from the Santa Cruz Cub Scouts
