

**Step 1) Cut your individual pieces to the lengths shown above**

**Step 2) Connect pieces being to sure to make all connections tight  
(note: no glue or pvc pipe glue used)**

**Step 3) Tape the bottoms of the handles for good air flow for the marshmallows**

**Step 4) Decorate: Use colored electrical tape and wrap barrows for fun**

**Step 5) Tell your Scouts to NOT shoot at anyone's head. Safety First!**

**Have fun!!!**
